Our experienced crew will help you chart the day's sail, using their local knowledge to ensure the best course will be taken for maximum enjoyment. Need a break? No worries! Your captain will gladly take over while you enjoy island excursions, snorkelling, relaxing or a cocktail.

## Your Flotilla Charter Includes:

- 6 nights cruise aboard a fully equipped luxury catamaran with private air conditioned cabins with private baths
- ASA certified instructors with years of local experience
- Three chef-prepared gourmet meals a day, with local beer, rum, & wine with dinner -- opportunities to eat & drink ashore
- Explore the world's 2nd largest barrier reef - snorkel, kayak, paddleboard, fish, and more
- Land Concierge available to assist with extended travel on the mainland

## Highlights of your sailing itinerary include:

### Hol Chan & Shark Ray Alley

Local fishermen used to clean their catch at this famous spot, which attracted more carnivorous species such as big southern stingrays and nurse sharks. Also look out for yellowtail snapper, parrotfish, sergeant majors and French angelfish in amongst the coral.

Sail on to Hol Chan Marine Reserve, where you snorkel amongst beautiful shoals of tropical fish, turtles, eagle rays, stingrays, moray eels and grouper around the corals

## Caye Caulker

'No shirt, no shoes, no problem' is the island motto and typifies the vibe. The white sandy beaches, ocean breezes, fresh seafood, azure waters and a fantastic barrier reef on its doorstep make it a perfect place to relax and unwind. Explore the island at your leisure, check out the local arts and crafts and soak up the colourful Caribbean vibes.

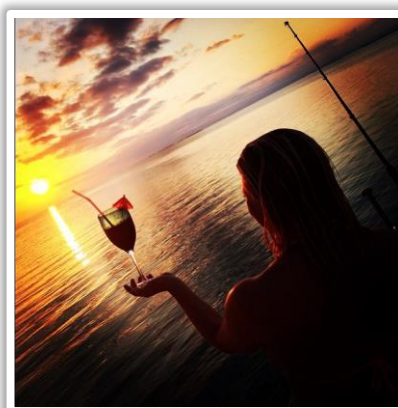

## “La Isla Bonita” San Pedro

San Pedro, Ambergris Caye, is the northernmost Caye along the Belize barrier reef. Explore the buzzing little fishing town by foot, or for added fun rent a golf cart. Check out the local arts and craft stalls and enjoy a cocktail at a waterfront bar before returning to the boat for the catch of the day

## St George's Caye

Steeped in history, it was the first capital of the British settlement. The island is principally home to private families, however it's a great base for scuba diving, snorkelling, island exploration or beach combing. Enjoy a top notch margarita at the St George's Caye Lodge before returning to the boat for dinner on deck.

## Goff's Caye

Being just over one acre in size, this is one of our favorite islands because it looks like the thing postcards were made for. Enjoy an afternoon of snorkelling, kayaking, fishing, beach combing or simply relaxing, before dining on your tropical dinner prepared on board by your private chef.
