

SARDINIA, ITALY: JULY 17 - JULY 24, 2021

Your airport of arrival will be Olbia and, from there, it is a 35 minutes-drive to the base in Cannigione. When you arrive on Thursday or Friday, you will have plenty of hotel choices available in Cannigione.

On Saturday, July 17, we will check in on our yachts, do our provisioning and head out for our first sail, heading out of the Golfo di Arzachena to (depending on the winds) the anchorage of Spiaggia Precedente or of Cala di Battistone. If the weather is not good for anchoring, we will go to the Marina dell' Orso. Dinner onboard if at anchor or optionally on shore if in the marina.

On Sunday, we sail to the luxurious marina of Porto Cervo, playground of the rich and famous, with a stop along the way in one of the anchorages for a swim and lunch. Dinner in Porto Cervo and visit of the city.

Monday, July 27, we depart Porto Cervo for Porto Rotondo where we can either take a buoy and dinghy ashore or dock at the local seawall. Lunch on board and swim in an anchorage along the way, dinner ashore in Porto Rotondo.

Tuesday, July 28, will see us sail north towards the island of Caprera where we can dock in one of the many marinas, like Porto Palma or Porto Garibaldi. Opportunity to swim in picturesque calas and visit to the house of the Italian Resorgimento Hero, Giuseppe Garibaldi. Dinner on shore.

On Wednesday, July 29, we head SW around Isola Santo Stefano to Maddalena Island where we will take a mooring ball, dinghy ashore and discover the scenic city of La Maddalena. Again, stops in calas

for swimming and lunch. Dinner on shore.

Thursday, July 30, we set sail for Isola Spargi where we will have lunch and some swimming in Cala Corsari and, from there we will have a short sail to Porto Liscia for an overnight anchoring. Dinner on board.

Unfortunately, we have reached the last day of our trip, Friday, July 31, and we are turning our bows in the direction of the base in Cannigione, but we will have some last quality moments for swimming and lunch on board in one of the scenic anchorages along the way. You can overnight on board and disembark by 9:00AM on Saturday or spend Friday night at a local hotel.

The flotilla cost per person is only \$1,950.00 (no surcharge for single occupancy). We will be sailing catamarans.

Book early as this will fill up fast!
